

Decisions on District Plan Change to the Queenstown Lakes District Plan

As of 4 April 2012, the Queenstown Lakes District Council has made a decision on the following Plan Change to the Queenstown Lakes District Plan:

Plan Change 36 - Creation of an Industrial B Zone and application of that Zone to land adjacent to the Ballantyne Road Industrial Zone:

To develop a new zone to provide for future business and industrial uses to be undertaken, whilst avoiding residential, office, and most retail uses within the zone. This zoning is intended to address the issues present in existing industrial and business zones. The geographic scope of this plan change is limited to the land adjacent to the Ballantyne Road industrial zone in Wanaka.
