

Attachment A – Proposed location for bus layover

| Road                  | Location description                               | Proposed changes/Reasons  | Map   |
|-----------------------|--|---|---|
| Option 1 - Gorge Road | Start of parking shoulder, in front of QLDC office | Remove 39m of existing parking spaces to allow for a bus park. Mark and sign a bus park for permit holders only as shown in map to allow for a layover. | <p>The map shows an aerial view of a road section. A yellow dashed line indicates the proposed 'New bus park - permit only' area. Red arrows point to an 'Exit taper' at the end of the bus park. A callout indicates that existing parking spaces in the middle section should be 'Remove parking spaces (do not replace)'. Another callout points to an area with 'Existing access / parking - retain with sightlines'. A final callout points to an area with 'Existing no parking lines'.</p> |

|                               |  |  |   |
|-------------------------------|--|--|---|
| <p>Option 2 - Robins Road</p> | <p>South of Gorge Road intersection.</p> | <p>Removal of 4 existing car parking space and replacement with a bus park for permit holders only as shown in map to allow for a layover.</p> |  |
