NGĀI TAHU TOURISM HOT POOLS PROPOSAL

The Queenstown Lakes District Council has begun consulting the community on a proposal to grant a reserve lease to Ngāi Tahu Tourism Limited for the purpose of developing and operating hot pools on part of a new recreation reserve at the Lakeview site in central Queenstown.

I enclose details of the proposal and the affected land to offer you the opportunity to meet or discuss this with the Council's staff. The consultation period ends on 22 December 2017 and the Council will hear and consider all submissions in the New Year (2018).

We have initiated consultation with the Department of Conservation and shall also consult with Te Ao Marama in relation to this reserve lease proposal.

Please contact me on 03 441 0499 or email paul.speedy@qldc.govt.nz if you would like any further information.
