

Mountable Kerbs in Wanaka

Adopted – Utilities Committee 6 July 2005

The subdivisional standards be amended (clause 302.4.1) by **deleting** the sentence:

“In Wanaka mountable kerb shall be used exclusively in all residential streets except where the gradient is 5% or greater or where the street classification is Principal or Arterial, in which case non-mountable shall be used”

- That a policy be developed for the consent and installation of vehicle crossings; and
- That the General Manager, Utilities advise the Committee on the timeline to prepare the policy

That once complete the policy be adopted as part of the subdivisional standards for the district.
