# APPLICATION FOR ROAD NAME/S

Application Guide and Form

## GENERAL INFORMATION

An applicant requesting to use Maori names for roads will be directed to consult with the IWI prior to seeking Council approval (refer to Road Naming Policy). Upon receipt of the application, staff will consult with the IWI to ensure consultation has occurred.

A list of road name suggestions is available from QLDC. This list has been compiled by local historic groups and the Council believes they are appropriate names.

### Have you enclosed:

☒ A copy of the subdivision plan highlighting the road/s

☒ A location map

☒ Application fee of \$56.25 per road name (Please give three suggestions for each Road)

## ROAD NAME DETAILS // The Council has requested you must provide three choices for each name

First Choice	Second Choice	Third Choice
Sudan lane	Famine Plats lane	Solar-Powered lane.

**LEGAL DESCRIPTION OF ROAD/S** // please state if it is Private or to Vest in QLDC

Legal Description of Road/s

~~DP~~ LOT 4 DP 336464  
 off Kennels lane. RM 161286

Background details explaining the reasons for the preferred name/s:

1<sup>st</sup> Sudan was the name of the Farming operation by the original land owner after the Farm up Mangawera Valley was sold off in different titles. When ever the wool sold it was Stamp on the bales.

2<sup>nd</sup> Parine Flat was the name the Farmers at Park Farm at Mangawera valley rich used the block next door ~~to~~ which spread to whole area.

2<sup>nd</sup> Solar-powered lane because the original block has never had power down at the river and the house has been powered by alternative energy since 1990.
