Second Kawarau Bridge Group

Matter: Provision of additional Kawarau River bridge

Dear Madam / Sir,

We are in receipt of a copy of a Memorandum from Q-LDC's solicitor dated 12 April 18 and a copy of a Minute from the Hearings Panel Chair dated 12 April 18. Both inform our group that our submission will not be considered by the Council or this Panel.

We hereby raise an objection to this decision and wish to be heard as requested in our original submission. On two previous occasions during this process we have been informed this was the approach we should take and we are not all happy to have a submission rejected yet again.

On behalf of our group, originally the Kawarau Bridge Relocation Group, and now the Second Kawarau Bridge Group we request to be heard on this matter without further deflection.

Sincerely,

Hudson Turnbull
on behalf of;

Kirsty Sharpe, Simon Hayes, Ralph Hanan, Kevin Conaghan, Bill Moran, Sir Eion Edgar, Adam Childs, David Hay and Bill Sharpe.
