IN THE MATTER of Recommended
Chapter 12: Queenstown
Town Centre Zone

MINUTE CONFIRMING CORRECT FIGURES
RECOMMENDED TO BE INCLUDED IN CHAPTER 12

1. It has come to my attention that the version of Chapter 12 attached to Recommendation Report 11 as submitted to the Council lacks Figures 1 and 2 (defining pedestrian links and height precincts respectively). I apologise to the Council for this omission. The purpose of this Minute is to provide the appropriate Figures and recommend that when the Council makes its decision on Report 11, that decision also encompass the inclusion of the two figures attached to this report within Chapter 12.
2. Figure 1 is discussed in Section 7.14 (commencing on page 86) of Report 11 and referenced in Recommended Rule 12.5.7.
3. Figure 2 is shown on page 115 of Report 11 and discussed in detail from that page through to page 122. It is referenced in Recommended Rules 12.5.8 and 12.5.9 in Chapter 12.
4. In conclusion, I recommend that Figure 1 – Identified Pedestrian Links and Figure 2 - Height Precinct Map, as attached, form part of Chapter 12 of the Proposed District Plan.
