Re PC 44 Boundary

The JPROA is a submitter on PC 44 and owns the land over which Henley Downs' submitters seek to extend the zone boundary which includes the existing rock storage area (quarry).

JPROA confirms it supports that inclusion to enable that land to be integrated into the proposed FP-1 activity area of the zone so that it can form part of the Spatial Layout Plan relating to the management of the land in FP-1, including all areas of open space.

Yours faithfully,

A handwritten signature in blue ink, appearing to read "M.O. Coburn", with a long, sweeping horizontal line extending to the right.

M.O. Coburn
Chairman
Jacks Point Residents and Owners Association"
