THE PARTICULAR PARTS OF THE SUBMISSION I SUPPORT (OR OPPOSE) ARE // Clearly indicate which parts of the original submission you support or oppose, together with any relevant provisions of the proposal.

We support the submission but seek clarification regarding sections four and five of the submission and the intention to extend zoning as referenced by the plan referred to as Attachment B. Attachment B is title 'Overall Structure Plan' prepared by Patterson Pitts Group. We are specifically interested in the area shown as Commercial Activity on this plan.

### THE REASONS FOR MY SUPPORT (OR OPPOSITION) ARE //

We live and have interests in land at Heritage Park, legally described as Lot 1 DP 301095 held in Computer Freehold Register 4889 and Lot 2 DP 301095 held in Computer Freehold Register 4890. The proposed extension of the zoning as identified in Attachment B 'Overall Structure Plan' seeks to extend the zoning significantly beyond the area originally identified in Plan Change 46 as notified.

The extension of the zoning as promoted in the PD Gordon Family Trust submission has the potential to adversely affect our properties and no consultation has been undertaken with us. Specifically, zoning identified as 'commercial' is proposed along our property boundaries. We are unclear what this will provide for and therefore are unable to ascertained what effects may result from such zoning.

# I SEEK THAT THE WHOLE OR PART [DESCRIBE PART] OF THE SUBMISSION BE ALLOWED, OR DISALLOWED // Give precise details.

We seek consultation be undertaken with us regarding the proposed extension of the zoning so we can better understand the potential effects to our properties.				
DO wish to be heard in support of my submission.				

I WILL

consider presenting a joint case with others presenting similar submissions.
