

Appendix 5 to Mike Holm Closing Legal Submission - Other recommended changes to the District Plan

1. Changes to be made to the Definitions in the Queenstown Lakes District Plan:

Convention Centre: means building(s) and their use for functions and may include auditorium(s), concert hall(s), lecture hall(s), meeting room(s), conference room(s), banquet room(s), exhibition space(s) and ancillary services. For the purpose of this definition, convention centres do not include visitor accommodation.

2. Changes to be made to Volume 1 Appendix 13:

Acoustic Insulation and Ventilation Requirements

The following table sets out the ventilation requirements within the airport Outer Control Boundary (OCB) and Air Noise Boundary (ANB) and applies to specific activities in High Density Residential Sub Zone E (Lake View).
