QUEENSTOWN LAKES PROPOSED DISTRICT PLAN: DESIGNATIONS HEARING

- 1 We represent Radio New Zealand Limited (*RNZ*) in relation to the Queenstown Lakes Proposed District Plan, on which RNZ made a submission.
- 2 RNZ's submission opposed the Council's Proposed Designation 560, which covered the land currently leased from the Council by RNZ, on which RNZ's radio transmitting facilities are located.
- 3 The s 42A Hearing Report states that the Council has decided to withdraw Designation 560. Ms Balme, for the Council, has also confirmed that the Council will be withdrawing Designation 560. As such, the relief sought by RNZ appears to have been addressed.
- 4 Therefore, RNZ will not be appearing at, or filing evidence for, this hearing, but requests that this letter be tabled to be considered by the Hearing Panel alongside RNZ's submission.
- 5 Please do not hesitate to contact me if you have any queries.

Yours sincerely

Grace Bennett
