

Before the Queenstown Lakes District Council

In the Matter of the Resource Management Act 1991

And

In the Matter of the Queenstown Lakes Proposed District Plan

Memorandum to the Chair on behalf of W & M Grant (Submitter 455) & B Grant (Submitter 318, 434) requesting leave to be included in the hearings schedule respect of Stream 13 of the Proposed District Plan.

1. I am the resource management planner for W & M Grant and B Grant, and have made submissions on their behalf for Stage 1 of the Proposed Queenstown Lakes District Plan (Submitters 455 and 318 & 434).
2. Submission 455 relates to the land at Lot 1 DP 355881 Secs 22 27-28 30 BLK XXI & sec 125 BLK I Shotover SD (source, submission), and comprises an area of 2.246 hectares. Submissions 318 and 434 relate to the land at Lot 6 DP 345807, Lot 7 DP 345807 and Lot 10 DP 345807, and comprises a total area of 5516m².
3. It was brought to my attention late last week that evidence for this chapter was due this coming Friday, and that the deadline to register my intent to be heard at the hearing was due some time ago.
4. Due to my small involvement in this Proposed District Plan, I have inadvertently missed the deadline to register my request to be heard as part of the hearings stream 13.
5. I am able to meet the evidence deadline of midday Friday 9 June 2017, and wish to be allowed a total of 10 minutes, for both submissions, to be able to summarise my evidence and be asked any questions if required.
6. I am prepared to fit into any time allocation which suits, due to my submissions being unrelated to any other site.
7. I hope that the Chair can accept my apology for this late request.
