MINUTE EXTENDING TIME TO LODGE EVIDENCE

1. I have received two requests for extensions of time to lodge evidence for the Stream 13 Hearings. The first is from counsel for Gibbston Valley Station Ltd (Submitter 827); the second from counsel representing several submitters for whom Mr Chris Fergusson will be giving evidence.
2. In each case the reasons for seeking the extension are that the time available has proved insufficient to enable completion of the evidence, but that it would be available on Monday 12th June.
3. I consider it reasonable to extend the time in each case, but only until **12 noon on Monday 12 June 2017**. That is to enable the evidence to be uploaded onto the Council website and made generally available on Monday.
