IN THE MATTER of Hearing Stream 4:
Subdivision

**MINUTE GRANTING EXTENSION OF TIME FOR
COUNCIL TO LODGE REPLY**

1. On 23 August 2016 we received a request from the Council for an extension of time for it to lodge its reply in respect of the submissions heard in Hearing Stream 4: Subdivision. Counsel explained that Mr Bryce was preparing suite of assessment matters which he would recommend form part of the revised chapter. In addition, he had Environment Court commitments to be met.
2. The Hearing Panel specifically asked Mr Bryce to prepare a set of assessment matters for consideration, as well as other material to be included in the reply documentation. We accept this will require some time for Mr Bryce to prepare and consider it reasonable to agree to the Council's request.
3. The time for the Council's reply on Hearing Stream 4: Subdivision to be lodged is extended to 12 noon on Friday 26 August 2016.
