Proposed District Plan
Designation Hearings

FIRST MINUTE DESIGNATIONS

Introduction

1. As recorded within the First General Procedural minute issued by the Chair of the Hearings Panel, Commissioner Nugent, dated 25 January, I have been appointed as a Commissioner, in particular for the Designation Hearings.

Procedural minutes and timetables

2. All participants are reminded that the Hearing Process, Hearing Timetable and Structure and time frames within which Steps both prior to and during and following the hearing apply to the Designation Hearings. If not already familiar with that minute participants should speedily ensure they become so, to ensure its terms are complied with.

Two key matters

3. I never the less wish to emphasise two matters given that the Hearings Notice for Designations has been issued and time lines are in place. The first is evidence needs to be lodged with Council by 12:00pm on Friday 7 October 2016. The second is that Requiring Authorities will have the opportunity to provide a written reply, to be filed with the Council no later than five (5) working days following the day the hearing is adjourned.
