**MINUTE GRANTING LEAVE TO COUNCIL TO FILE AMENDED
PLANNING MAPS**

1. The Council has sought leave¹ to file recommended revised Planning Maps which should have been attached to, and circulated with, Ms Jones' s.42A Report on 2 June 2016. The relevant maps were attached to the Memorandum.
2. We accept that the amended information on the Planning Maps only conveys in a visual manner the information contained within Ms Jones' Report, and that consequentially there is no prejudice to any submitter in having them filed late. It is also preferable to have these circulated prior to the hearing, albeit late, than tabled at the hearing.
3. For these reasons leave is granted we ask that this Minute and counsel's Memorandum be made available to all who lodged submissions on Chapter 26 Historic Heritage as soon as possible.
