- 1 Lakes Marina Projects Limited (**Lakes Marina**) wish to be a party pursuant to section 274 of the RMA to the following proceedings:

Kenneth Muir v Queenstown Lakes District Council (ENV-2018-CHC-195) being an appeal against decisions of Queenstown Lakes District Council on the proposed Queenstown Lakes District Plan (**PDP**).

- 2 Lakes Marina is a person who has an interest in the proceedings that is greater than the interest that the general public has, in particular:

- (a) Lakes Marina is the developer and operator of the Frankton Marina. It holds land use and subdivision consents from Queenstown Lakes District Council and water and discharge permits from Otago Regional Council related to the construction, alternation and maintenance of the Frankton Marina and associated commercial buildings, car parking and public spaces.
- (b) The relief sought in the above appeal to rezone land along Sugar Lane near the Frankton Marina will directly affect the operation of the Frankton Marina and the interests of Lakes Marina.

- 3 Lakes Marina is not a trade competitor for the purposes of section 308C or 308CA of the RMA.

- 4 Lakes Marina is interested in all of the proceedings.

- 5 Without derogating form the generality of the above, Lakes Marina is interested in the following particular issues:

- 6 **Planning Map 33: Rezoning of the Sugar Lane area**

- (a) Lakes Marina supports the relief sought to rezone the Sugar Lane area from Lower Density Suburban Residential (**LDSR**) to Business Mixed Use (**BMU**) or similar.
- (b) The LDSR zoning is not reflective of the existing use and development in the Sugar Lane area. A BMU or similar commercial zoning would better reflect existing use and development, and would enable an appropriate range of uses that are both necessary and beneficial for the efficient and effective operation of all activities at the Frankton Marina.

- 7 Lakes Marina agrees to participate in mediation or other alternative dispute resolution of the proceedings.
