1. Take notice that Queenstown Park Limited (“**QPL**”) requests to be heard in relation to the following proceeding:
 - ENV-2018-CHC-138 Real Journeys Limited (trading as Go Orange Limited) v Queenstown Lakes District Council (“the **Appeal**”).

Nature of Interest

2. QPL owns Queenstown Station (formally known as Cone Peak Station). Queenstown Station is a 2,000ha site on the true right bank of the Kawarau River which extends to an altitude of approximately 1000masl.
3. QPL made a submission (#806) and a further submission (#1097) on the subject matter of the proceedings.
4. QPL is not a trade competitor for the purposes of section 308C of the RMA.

Extent of Interest

5. QPL is interested in all parts of the proceedings.

Relief Sought

6. QPL **opposes** the relief sought in the Appeal that seeks to protect existing established commercial activity and recreational activities, in particular on the surface of lakes and rivers. It considers that relief seeking to achieve that aim does not:
 - (a) Promote sustainable management;
 - (b) Enable social, economic and cultural wellbeing;

- (c) Otherwise meet Part 2 of the RMA;
- (d) Meet the terms of section 32 of the RMA; and
- (e) Is inconsistent with the reasons set out in QPL's submission and further submission on the PDP.

QPL seeks that the above relief be declined.

- 7. QPL otherwise **supports** the relief sought in the Appeal as it relates to recognising the benefits of tourism and associated industry, and the benefits in diversifying public transport to include on water transport options, and associated infrastructure and access required for those operations, such as wharves and jetties.

Mediation

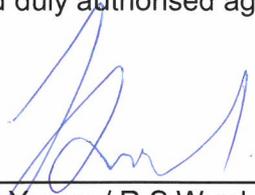

- 8. QPL agrees to participate in mediation or other dispute resolution of the proceedings.

Service

- 9. A copy of this notice has been served on the Respondent and Appellant.
