

41 JACKS POINT

41.1

Zone Purpose

The purpose of the Jacks Point Zone is to provide for residential, rural living, commercial, community and visitor accommodation in a high quality sustainable environment comprising residential areas, two mixed use villages and a variety of recreation opportunities and community benefits including access to public open space and amenities.

The village areas and associated residential activities at Jacks Point will be sustainable in their nature, constituting mixed density development, best practice methods of waste disposal and longevity in their quality and built form. The preparation of development controls and non-regulatory design guidelines, in conjunction with provisions of the District Plan and other methods, will ensure provision for the social, economic and cultural wellbeing of the wider community, while also assisting in ecological enhancement and the seamless integration of the built and natural environment.

In addition, the zoning anticipates an 18-hole championship golf course, a luxury lodge, small-scale commercial activities, provision for community facilities, craft and winery activities, outdoor recreation and enhanced access to and enjoyment of Lake Wakatipu.

41.2

- 41.2.1.10** Maintain or enhance the character and amenity values that exist in the established Jacks Point Residential Activity Areas (R(JP)) as at 31 August 2016, including the high standard of design and landscape elements incorporated into communal open space areas, transport corridors and private lots, and lower average densities compared to the Hanley Downs Residential Activity Areas.
- 41.2.1.11** Enable medium density housing development within the established Jacks Point Residential Activity Areas (R(JP)) subject to the scale and form of built development being appropriate to the character of the Activity Area.
- 41.2.1.12** Recognise the (Hanley Downs) Residential Activity Areas (R(HD)) as being appropriate to accommodate residential development at a greater scale and intensity than elsewhere in the zone.
