Ministry of Education (Submitter #2151) Letter to be tabled for the Proposed District Plan Stage 2 Hearing.

Attn: Vikki Smith

The Ministry of Education (“the Ministry”), has opted not to attend the hearing set for 3 September 2018, regarding the Queenstown Lakes District Council (QLDC) Proposed District Plan Stage 2. We request that this letter be tabled for the Commissioners’ consideration in lieu of the Ministry’s attendance. While the Ministry will not be attending the hearing, it will continue to rely on its submission to represent its views through to the completion of the District Plan review.

The Officer’s report for Stage 2 of the Proposed District Plan has been received. This report is correct in its summary of the Ministry’s submission points in the Transport, Signs, and Open Space and Recreation chapters.

Overall, we note the Officer report has recommended that the Ministry’s submissions points be accepted or accepted in part. The Ministry supports this recommendation. The Ministry requests that the Commissioners take into account the Officer’s recommendations with regards to the Ministry’s submission points.

The Ministry appreciates the opportunity to be involved in the District Plan review process. Should you have any queries please contact me on the details below, as RMA consultant to the Ministry.
