Dear Sir/Madam

QLDC DISTRICT PLAN- STAGE 2 HEARINGS STREAM 15 MATTERS

I refer to the DG's submission in February on Part 2 of the QLDC Proposed District Plan Review: stage 2 Hearings for stream 15 matters; (Earthworks, Open space, Signs, and Transport).

DOC staff have read the QLDC section 42 A reports and support their conclusions with regard to the Director - General's submission. Therefore, the DG has not prepared or lodged evidence and does not wish to be heard on the Stage 2 hearings. If the Hearing Commissioners could be advised of this position it would be appreciated.

Please contact Herb Familton in the first instance if you wish to discuss any of the matters raised in this letter at (027) 536 037 or hfamilton@doc.govt.nz.

Yours sincerely

Herb Familton
