MINUTE CONCERNING AMENDED EVIDENCE TIMETABLE

1. In a Minute dated 4 June 2018 I granted an extension of time for Trojan Helmet Limited (Submitter 2387) to lodge landscape, masterplanning and planning evidence due to an extension given to the Council to lodge supplementary landscape evidence in respect of this submission.
2. In a memorandum filed on 8 June 2018, counsel for the submitter has requested an extension to also file architectural evidence. Ms Wolt advises that this evidence would describe building design guidelines which would be proposed to address some concerns raised in the Council's supplementary landscape evidence. She has proposed that this evidence be filed by 4pm on Tuesday 19 June 2018, that time being the same which I set for receipt of the landscape, masterplanning and planning evidence from this submitter.
3. I agree with Ms Wolt that it would be fair and reasonable to allow this evidence to be filed on the timetable proposed. It will also assist the Panel to have this evidence lodged in this manner so that the Council can respond to it with rebuttal evidence if it chooses.
4. Consequently, I grant an extension of time to Submitter 2387 to lodge additional architectural evidence by 4pm on Tuesday 19 June 2018.
